11 April 1986

MEMORANDUM FOR: Director, Office of Technical Service

STAT FROM: [redacted]
Director of Training and Education

STAT SUBJECT: Letter of Appreciation [redacted] -OTE Retirement Plaques

1. The Office of Training and Education would like to express its appreciation for the excellent support received from your Office and, in
STAT particular, [redacted] of your Graphics Branch. In January, with a short deadline, he produced two retirement plaques for senior officers of OTE. The two plaques represented one of those rare occasions when one's expectations are exceeded by the final product. They were very well received by the honorees. Since they were the first two ever presented, they were, also, a surprise. A number of people have expressed to me what a nice, continuing symbol of this Office's appreciation these plaques will be.

STAT 2. Since those first two plaques, [redacted] has produced four others of equal caliber. These plaques will become treasured remembrances for the recipients, which they will display proudly because of the quality craftsmanship. Please convey our appreciation for this very tangible example of excellence.
